EDUCATION

Bachelor of Computer Science, RMK ENGINEERING COLLEGE present
Cum. GPA: 9.4 / 10.

Intermediate, NARAYANA JR COLLEGE 2018 - 2020
Cum. GPA: 9.8 / 10.

High school, Dr.SRK E.M High School 2018
Cum. GPA: 9.7 / 10.

SKILLS

Technical Skills	Python, C++, C, Java, Javascript, HTML, CSS
Frameworks	NodeJS, ReactJS, VueJS, ExpressJS
Database	MongoDB, MySQL
Soft Skills	Time Management

PROJECTS

VIRTUAL MOUSE BY AI. Github

- Developed and implemented a virtual mouse software tool.

- The tool simulated the functions of a physical mouse, allowing users to control the cursor on the screen.

- Packages used for this project includes **Mediapipe, Autopy, Numpy**.

User API. Github

- Led the development of a Node.js-based project utilizing **CRUD operations**.

- Implemented **RESTful API endpoints** for seamless communication between the server and client-side applications.

- Utilized **MongoDB** for data storage and management, resulting in improved performance and scalability.

- Collaborated with the team to ensure the project met the requirements and was delivered on time.

ACCOMPLISHMENTS

- Participated in Google Kick Start 2022 Round G and ranked **5840th** respectively.

- Participated in Leetcode Weekly Contests and ranked **2137** th respectively.

- Solved **600+** problems on LeetCode, demonstrating strong problem-solving and algorithmic skills.

- Utilized CodeChef to improve knowledge of data structures and algorithms, and had highest rating of **1560**.

CERTIFICATIONS

- Successfully completed a **Python certification** course on **Udemy** and **NPTEL** and obtained **Elite + Gold** .

- Successfully completed a **Web Development** project as part of the The Complete 2023 Web Development Bootcamp.

- Certification on **Java Programming** and **Software Testing** in **NPTEL** with **Elite + Silver** and **Elite** respectively.

- Acquired knowledge of effective **Time management** techniques such as prioritizing tasks, setting goals by completing course in Infosys Springboard.
